Feature Spotlight

Office for Learning Partnerships (OLP)

Have you heard about our new Care Unit? The Office for Learning Partnerships now offers appointments for **ExperienceVT Coaching** under the **Student Life & Engagement** Care Unit. Students can book one-hour sessions with a coach for these programs, with services located at Peddrew Yates Hall.

Refer students to OLP!

When meeting with students who are curious about personal development, need help getting involved on campus, or want to explore goal planning, please **refer them to the Office for Learning Partnerships**. A staff member will contact the student to arrange a meeting. For more information about this new referral and other referrals available in Navigate, visit our Referral Office Information guide.
