

Entering Fall 2025 VT FOREIGN LANGUAGE REQUIREMENTS BY COLLEGE/MAJOR

2 YEARS OF A SINGLE FOREIGN OR CLASSICAL LANGUAGE ARE REQUIRED FOR THESE MAJORS

College of Agriculture and Life Sciences (CALS)

Agribusiness (AGRB)	Environmental Horticulture (EVHT)
Agricultural and Extension Education (AEE)	Environmental Science (ENSC)
Animal and Poultry Sciences (APSC)	Exercise and Health Sciences (EAHS)
Biochemistry (BCHM)	Food and Health Systems Economics (FHSE)
Community Leadership and Development (CLD)	Food Science and Technology (FST)
Community Economic Development (CED)	Integrated Agricultural Technologies (IAT)
Crop and Soil Sciences (CSSC)	International Trade and Development (ITD)
Dairy Science (DASC)	Landscape Design and Turfgrass Science (LTS)
Ecological Restoration (ER)	Nutrition and Dietetics (NAD)
Environmental Econ: Mgmt and Policy (EEMP)	Plant Science (PLSC)

College of Architecture, Arts, and Design (AAD)

Architecture (ARCH)	Industrial Design (IDS)
Art, B.A. (ART)	Interior Design (ITDS)
Creative Technologies (CTCH)	Landscape Architecture (LAR)
Graphic Design (GRAP)	Music (MUS)
	Studio Art (STU)
Cinema (TAC)	Theatre Arts (TA)

Pamplin College of Business (PCOB)

Accounting & Business Analysis (ABA)	Financial Planning & Wealth Management (CFPF)
Accounting & Information Systems (ACIS)	FinTech & Big Data Analytics (FBDA)
Business Information Technology (BIT)	Hospitality & Tourism Management (HTM)
Cybersecurity Management & Analytics (CMA)	Human Resource Management (MHR)
Entrepreneurship, Innovation & Technology Management (EIT)	Management (MGT)
Event & Experience Management (EEMG)	Management Consulting & Analytics (MCA)
Finance (FIN)	Marketing Management (MKTG)
	Real Estate for Commercial Properties (RELC)
	Real Estate for Residential Properties (RELR)

College of Engineering (COE)

Aerospace Engineering (AE)	Computer Science (CS)
Automotive Engineering (AUTE) – last term to enroll is spring 2025, last term to graduate is spring 2032	Construction Engineering and Management (CEM)
Applied Electromagnetics (APEL)	Construction Safety Leadership (CESL)
Biological Systems Engineering (BSE)	Controls, Robotics, & Autonomy (CRA)
Biomedical Engineering (BMES)	Controls, Robotics, & Autonomy (ECRA)
Building Construction (BC)	Data-Centric Computing (DCC)
Chemical Engineering (CHE)	Ecological Engineering (ECOE)
Chip Scale Integration (CPI)	Electrical Engineering (EE)
Civil Engineering (CE)	Energy & Power Electronics Systems (ERES)
<i>Communications & Networking (CMNW) – last term to enroll is fall 2024, last term to graduate is spring 2029</i>	Environmental Engineering (EENG)
Computer Engineering (CPE)	Industrial and Systems Engineering (ISE)
	Machine Learning (MCHL)
	Materials Science and Engineering (MSE)

Materials Science Engineering: Nuclear Materials (MSE:NUCM) – last term to enroll is spring 2025, last term to graduate is spring 2031

Mechanical Engineering (ME)

Micro/Nano Systems (MNSY)

Mining Engineering (MINE)

Networking & Cybersecurity (NWCS)

Ocean Engineering (OE)

Photonics (PHTN)– last term to enroll is fall 2024, last term to graduate is spring 2029

Radio Frequency and Microwave (RFMW)– last term to enroll is fall 2024, last term to graduate is spring 2029

Robotics and Mechatronics (RBMT)

Secure Computing (SC)

Space Systems (SPCS)– last term to enroll is fall 2024, last term to graduate is spring 2029

Software Systems (SFTW)

Wireless Communications and Signal Processing (WCSP)

College of Natural Resources and Environment (CNRE)

Environmental Conservation & Society (ECS)

Environmental Data Science (EDS)

Environmental Resources Management (ERM)

Fish Conservation (FISC)

Forestry (FORS)

Geography (GEOG)

Meteorology (MTRG)

Packaging Systems and Design (PSD)

Sustainable Biomaterials (SBIO)

Sustainable Systems Science (SSYS)

Water: Resources, Policy, and Management (WRPM)

Wildlife Conservation (WLC)

College of Liberal Arts and Human Sciences (CLAHS)

Advertising (ADV)

Career and Technical Education - Agricultural Education (AGIE)

Career and Technical Education (CTED)

Childhood Pre-education (CPED)

Classical Studies (CLA)

Communication (COMM)

Consumer Studies (CONS)

Criminology (CRI)

Early Childhood Development and Education (ECDE)

Elementary Education (ELE)

English Language Arts Education (ELAE)

Environmental Policy and Planning (EPP)

Fashion Merchandising and Design (FMD)

French (FR)

German (GER)

History and Social Sciences Education (HSSE)

Human Development (HD)

Humanities for Public Service (HPS)

Mathematics Education (MTHE)

Multimedia Journalism (MJ)

Philosophy (PHIL)

Philosophy, Politics, and Economics (PPE)

Public Relations (PR)

Property Management (PM)

Religion & Culture (RLCL)

Residential Environments & Design (RED)

Russian (RUS)

Smart and Sustainable Cities (SSC)

Sociology (SOC)

Spanish (SPAN)

Sports Media and Analytics (SMA)

Technology Education (TCHE)

College of Science (COS)

Biological Sciences (BIOL)

Chemistry B.A. (CHEM)

Chemistry B.S. (CHEM)

Clinical Neuroscience (CNEU)

Cognitive and Behavioral Neuroscience (CBNU)

Computational and Systems Neuroscience (CSNU)

Computational Modeling and Data Analytics (CMDA)

Economics (ECAS)

Experimental Neuroscience (EXPN)

Geoscience (GEOS)
Mathematics (MATH)
Medicinal Chemistry (MDCH)
Microbiology (MIC)
Nanomedicine (NMED)
Nanoscience (NANO)

Physics B.A. (PHYS)
Physics B.S. (PHYS)
Polymer Chemistry (POLY)
Psychology (PSYC)
Statistics (STAT)
Systems Biology (SYSB)

College of Veterinary Medicine (CVM)

Public Health (PH)

3 YEARS OF A SINGLE FOREIGN OR CLASSICAL LANGUAGE ARE REQUIRED FOR THESE MAJORS

College of Liberal Arts and Human Sciences (CLAHS)

Arabic (ARBC)
Creative Writing (CW)
English (ENGL)
Environment, Development, and Global
Economy (EDGE)*
History (HIST)

International Public Policy (IPPL)*
International Relations (IR)*
International Studies (IS)*
National Security and Foreign Affairs (NSFA)*
Political Science (PSCI)
Technical and Scientific Communication (TSC)

* The foreign language requirement indicated on this sheet is separate from the Environment, Development, and Global Economy; EUROpean & Transatlantic Studies; International Public Policy; International Relations; International Studies; and National Security and Foreign Affairs requirement. Completion of this requirement WILL NOT fulfill your Environment, Development, and Global Economy; EUROpean & Transatlantic Studies; International Public Policy; International Relations; International Studies; and National Security and Foreign Affairs language requirement. *Updated August 5, 2024*
