Webinar Series:

Spring 2025 Webinar dates are now available on the advising.vt.edu website!

Join us Thursday, February 13 1:00-2:00 p.m. as we demonstrate a new feature- NavAI, Navigate's generative AI tool

Functionality

Returning students who are not enrolled for the term are excluded from some files in the nightly Banner sync. While their profiles will still appear in Navigate Staff if they remain Active in Banner, Banner-filtered data—such as major, GPA, and advisor assignment—will not be updated until the student enrolls in classes again.

Accessibility

Navigate has a new Accessibility Panel, which can be accessed in the header through the Accessibility Person Icon located at the top right next to your photo icon. This new feature will open a dialog box which allows users to make adjustments to the website interface to aid in accessibility accommodations. These adjustments include font size, letter spacing, accessible font, content reader, and notification timer adjustments.
