Functionality

Reminder: Navigate is term-based, and data pulled from Banner requires student enrollment and depends on the active term for accuracy. Items such as major assignments, AP/IB or transfer credits, and advisor assignments will not update in Navigate until it rolls over to the term in which those items are active in Banner.

Feature Spotlight

New App Interface!

EAB Navigate updated the application interface to include a quick launch feature! Students can click on the space shuttle icon to quickly access appointments, hand raises, my docs, and account pages. Aside from this quick access, instructions for scheduling an appointment have NOT changed.
