Feature Spotlight

Welcome Survey!

The Navigate Student Welcome Survey just wrapped up its first full year with over 20,000 unique users. This summer, the EAB Leadership Team used student activity to revise the survey and is now collaborating with campus partners to design more proactive outreach strategies. You can preview the updated survey, which launches on July 1, on the [Navigate Resources](#) website. Students will be prompted to complete the survey on their next login. Don't forget, professional advising staff can view student responses on the student's profile, under the "checklists" tab. They can also search for responses in both Advanced Search and V3 Reporting- use the filter for "Poll Questions".
