Functionality

Staff with an Advisor-trained or coaching role have access to send text messages in Navigate. This function should only be used when an action is required of a student. Texting should never be used to promote an event or program. Mass texting may result in loss of this function. To review the full Texting Protocol policy, please visit the Navigate Resources webpage.

Feature Spotlight

VA Education Benefits support

Did you know the Registrar's Office handles academic certification for VA Education Benefits (commonly known as 'veteran benefits')? To help connect your students to this office, we've added two new features in Navigate:

Tag: Veteran-Dependent Benefit
student is using or has used VA Education Benefits in the last year. Updated in September and March

Referral: Veteran Dependent Benefit Certification (Registrar)
Submit a referral for a student who would like to know what classes of their current schedule or planned courses can and cannot be covered by their VA Education Benefits

*Note that the Office of Veteran Services (OVS) supports conversations related to how benefits work while the Registrar's Office strictly supports academic compliance.
