## *Monthly Newsletter*

AUGUST 2021

### NEW TAG

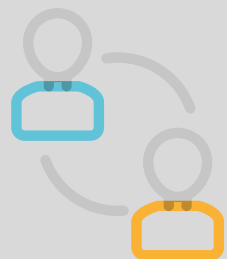

The AFD 202109 tag has been added to Navigate for students that have applied for their Fall 2021 degree. This tag will be updated again in about a month to include those that apply late.

We want to recognize everyone for their continued use of Navigate throughout the month of July with an astounding 8,834 appointments in this one month alone. We will continue the individual top user for the month of August.

### MEETING TYPES

Navigate has implemented the new meeting types (virtual and in-person) for advisors and students. If you have not done so already you **MUST** have a meeting type listed in your availability for students to schedule with you. Resources are available [HERE](#) under Guides and Directions that outline these changes.

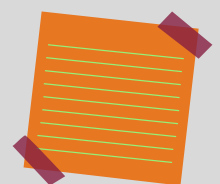

### CANVAS SITE FOR TRAINING AND RESOURCES

A new Canvas site has been developed to provide training for those that need access to the platform. Even if you already have access to the platform, you are more than welcome to join us as new resources will be added on a regular basis. To gain access to the Navigate Training Canvas site, please email Lauren Thomas, [lwthomas@vt.edu](mailto:lwthomas@vt.edu).

### REMINDER

Students cannot schedule an advising appointment during when they are scheduled to be in class.

**HAVE A GREAT FALL SEMESTER!**
