NEW CARE UNIT

We have a new care unit specifically for the Graduate School called Graduate Student Advising which will house graduate programs across the different colleges. If you have graduate programs interested in utilizing Navigate, please let us know! Since this care unit was added we updated the Advising Care Unit to now read Undergraduate Student Advising which requires no changes on your end.

DON'T FORGET

Everything in Navigate is term based and is updated nightly beginning at 6:00pm. Anything which is changed in Banner following 6:00pm will not show-up in Navigate until the following update is run.
