DECEMBER 2021

NEW TAG

A new tag has been added "Entering Spring 2022 Cohort" for students who are entering in the spring 2022 cohort.

FEATURE SPOTLIGHT

Hillary Gaskins, Academic Advisor from the Pamplin College of Business, has the most usage of *Reports* within the Navigate platform for the month of November 2021!

SCHEDULING OVER CLASSES

As of December 10, 2021, students can schedule an appointment during a time they should be in class since final exams have started. The setting will be changed back where students cannot schedule during a time they are to be in class beginning December 20, 2021.

NEW ENHANCEMENTS

In early December, a couple of notable enhancements have been added to Navigate, which include being able to filter the advising dashboard with student lists, as well as scheduling reports that a user typically runs on a regular basis. Detailed release notes can be viewed [HERE](#).
