DECEMBER 2022

DON'T FORGET

Since we have moved to the Winter 2023 term, your assigned students list will only be those that are assigned to you in Banner and enrolled for the winter term. Same thing will apply once we roll to the spring 2023 term as well.

MOVING OF OFFICES

New locations will be added during the month of December 2022, Student Success Center (SSC) including tutoring, Multicultural Academic Opportunities Program (MAOP), Office of Veteran Service (OVS), and office of Undergraduate Research (OUR), Academic Advising Initiatives (AAI), and University Studies and Scholarship Support (USSS) will be moving to Gilbert Place right before winter break. We are working to inactivate old locations while getting the new location (Gilbert Place, Suite 2001) set-up for the new year.

SUCCESS SPOTLIGHT

44,945 appointments captured in the Advising Care Unit for the Fall 2022 term!
