

NAVIGATE

Monthly Newsletter

JULY 2021

REMINDER

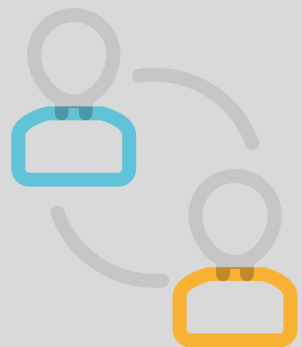

Navigate is term based, therefore, any transfer work including AP/IB credit, major changes, will not appear in Navigate until the term has changed in Banner.

Top user within the platform for the month of June 2021 is Alexis Miller from the department of General Engineering with the most active time on Navigate!

MEETING TYPES

Navigate has begun the process to implement meeting types for use by students for scheduling purposes and for advisors to indicate what type of modality their advising appointment will be offered as. More information to come at the end of July when this is made live in our production site. Short video tutorials will be shared with your college's end-user group representative as well as in the Navigate Canvas site.

CANVAS SITE FOR TRAINING AND RESOURCES

A new Canvas site has been developed to provide training for those that need access to the platform. Even if you already have access to the platform, you are more than welcome to join us as new resources will be added on a regular basis. To gain access to the Navigate Training Canvas site, please email Lauren Thomas, lwthomas@vt.edu.

ORIENTATION CONSTRAINTS

All orientation service constraint changes that were requested for the summer will be changed back beginning the week of July 26, 2021.
