OCTOBER 2023

IMPORTANT CALENDARING IMPACTS

As Virginia Tech makes the transfer for email from Google to Microsoft Outlook, please check with your department about the specific transition timeframe as this is going to impact your calendar sync with Navigate if you currently sync a Google Calendar.

SUCCESS SPOTLIGHT

58.7% of VT EARS thus far (466 referrals) have resulted in students following up with the college outreach compared to last year during this same time frame, the follow-up rate for students was 53.6%!

UPDATED TAGS

SAP tags have been added as of 10/16/23, both undergraduate and graduate students have tags; “2 or more U Midterm Grades for Fall 2023” have been added as of 10/20/23.

RUNNING REPORTS

Navigate now has a version 3 (V3) reports which have been implemented and can view information [here](#) from the help center or this [PDF](#) starter pack.
