ADVISING CARE UNIT SUMMARY REPORT DETAILS

The Advising Assessment Leadership Group (AALG) has established student learning outcomes to be assessed across undergraduate advising. With this initiative, new resources are being utilized in existing technology to capture what is taking place in advising to begin setting targets based on the initial data being captured in this pilot year. View [Read more about the Appointment Summary Details.](#)

NEW TAG

AFD 202301 (Applied for Degree Spring 2023) has been added to the platform, initial load was September 16th, and will be updated again around October 14th and November 18th to capture any changes.

SUCCESS SPOTLIGHT

August 22, 2022 – September 22, 2022, there have been 511 appointments in the Additional Support Services care unit which encompasses, Academic Planning Workshops, additional support services offered by the Student Success Center outside of course tutoring, Multicultural Academic Opportunities Program (MAOP), and Student Opportunity & Achievement Resources Program (SOAR)!

FRIENDLY REMINDERS

- Data in the platform is term based, especially when it comes to categories for academic standing, it is based on the current term
- Write appointment summary reports in an objective manner
- EABHelp@vt.edu is available for any issues or questions you have
