# NAVIGATE

Monthly Newsletter

NEW CARE UNIT

An additional care has been created for professional students in DVM called "DVM Advising and Support" if you come across that in the platform.

GRADUATE PROGRAMS

If there are any graduate programs that would like to utilize the Navigate platform, please have them reach out to EABHelp@vt.edu and we will work to get them setup!

SUCCESS SPOTLIGHT

80.6% of students who received a spring 2023 VT EARS and followed-up on the outreach, have returned for the Fall 2023 term compared to only 68.4% of students who received a spring 2023 VT EARS and did not follow-up on the outreach!

UPDATED TAGS

Tags have been updated for AFD 202309, AFD 202312, and AFD 202401 as of September 14, 2023.

RUNNING REPORTS

Navigate is rolling out a new version of their reporting function starting September 18th, additional details about this new version of reports can be found HERE in a Help Center article about the new reports. You will still have access to the current version with a link on this website until they sunset that functionality.
